DETAILED ACTION

Response to Amendment

1. The rejection over Takagi in view of Watanabe has been withdrawn in view of Applicant's submission of the translation of the foreign priority papers on 6/27/2005.

Allowable Subject Matter

2. Claims 1-6 are allowed.
3. The following is a statement of reasons for the indication of allowable subject matter:
The references of the Prior Art of Record fail to teach or suggest either alone or in obvious combination the limitations as set forth in claim 1, and specifically comprising the limitation of a first internal electrode; a second internal electrode; and a piezoelectric layer, disposed between the first and second internal electrodes including a through hole in which a conductive substance is disposed and wherein the first internal electrode has an electrode portion for producing an electric field in the piezoelectric layer, and a connection portion connected to the conductive substance in the through hole; and wherein the connection portion is formed at a position shifted from the longitudinal centerline of the electrode portion.
4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
